

# EV Charging Rebates for Multifamily Properties

## Help your tenants charge at home and save money in the process.

As a multifamily property manager, you have the opportunity to offer a high-demand amenity for tenants while cutting your installation costs. With Evergy's EV Charging Rebates, it's never been more affordable to bring electric vehicle charging to your property!

### Available Rebates

You can qualify for:

- **\$2,500 per Level 2 charging port**
- **Up to \$25,000 per site** for charging stations serving tenants

### Benefits for Your Property

- **Lower costs:** Rebates help offset installation and equipment expenses
- **High-appeal amenity:** Attract and retain residents with convenient charging access
- **Sustainability goals:** Opt into 100% renewable energy for a minimal cost
- **Expert help:** Get design-to-installation guidance from Evergy EV advisors

### How to Get Started

1. **Talk to Evergy:** Scan the QR code to connect with an Evergy EV advisor
2. **Apply & Get Preapproved:** Know your rebate amount before you build
3. **Get Paid:** Submit documentation once your stations are online
