

# EV Charging Rebates for **Your** **Employees** **and Tenants**

## Modernize your building amenities with support from Evergy.

Make your office building more attractive to today's workforce and tenants by offering EV charging. Whether you manage a corporate campus or a leased office complex, Evergy's rebates and time-based energy rates can reduce costs and enhance your sustainability profile.

### Available Rebates

You can qualify for:

- **\$2,500 per Level 2 charging port**
- **Up to \$25,000 per site** for charging stations serving employees and tenants

### Benefits for Your Property

- **Cut installation costs:** Up to \$25K in rebates to reduce upfront investment
- **High-appeal amenity:** Attract and retain talent and tenants with convenient charging access
- **Energy savings:** Enroll in Evergy's EV Business Rate for lower costs during off-peak hours
- **Carbon-free add-on:** Source power from local wind and solar for just \$0.0025/kWh more

### How to Get Started

1. **Talk to Evergy:** Scan the QR code to connect with an Evergy EV advisor
2. **Apply & Get Preapproved:** Know your rebate amount before you build
3. **Get Paid:** Submit documentation once your stations are online
