

# Kansas Business Energy Savings Program **Available now!** **Participate today.**

Evergy is excited to introduce energy efficiency programs in Kansas that **pay your business** when you make changes that save energy. Get rewarded with an incentive check when you make an energy-efficient change at your workplace. **It's that simple!**

Whether your business is a restaurant, school, commercial building, or any other type of company - we'll work with you to save money and energy.
